

GEOTECHNICAL ENGINEER (ENTRY LEVEL)

Sevee & Maher Engineers, Inc. (SME) has a new full-time position for a **Geotechnical Engineer (Entry-Level)** based at our headquarters in **Cumberland, Maine**.

Position Summary

SME, a multidisciplinary firm, provides comprehensive planning, design, and construction oversight services. The **Geotechnical Engineer** participates in a diverse and dynamic portfolio of projects, such as solid waste disposal facility design, commercial site development, and riverine mitigation.

Your Impact

There is no “typical” project at SME, therefore the **Geotechnical Engineer** has the opportunity to work on a wide variety of assignments and real-world challenges. Many of SME’s projects involve innovative designs for environmentally sensitive areas.

The ideal candidate will possess a high level of organizational skills that are well suited to keeping tasks on schedule and on budget. Because the **Geotechnical Engineer** works closely with SME’s multidisciplinary staff and frequently interacts directly with clients, regulatory agencies, and the public, your strong interpersonal and communications skills (written and verbal) are important. At SME, we pride ourselves on building and maintaining very positive long-term relationships with all parties with whom we interact.

Required Qualifications and Skills

- M.S. degree in Civil Engineering with a concentration in Geotechnical Engineering
- Ability with civil and site design and modeling software, including AutoCAD , Slope/W and Seep/W is preferred.
- Willingness to perform other civil and environmental engineering design tasks when geotechnical work is not available.
- Effective oral and written communication skills are essential, and
- Willingness for occasional travel to project sites.
- Experience performing geotechnical investigations, including drilling, field testing and sampling, instrumentation, and test pitting (preferred, not required)

Compensation and Benefits

SME offers an excellent compensation and benefits package that includes:

- 100% company paid Medical, Life, and Long-term and Short-term Disability insurance
- Annual HSA contributions
- Paid vacation and sick time and 9 paid holidays per year
- 401k plan with generous matching contribution; profit sharing; and a non-discretionary 3% of gross pay contribution, and
- Performance-based year-end bonuses.

Working at SME

Founded in 1985, SME is an accomplished team of 85+ experienced and talented professionals providing environmental and civil engineering consulting services to clients nationwide. From permitting solar farms

to cleaning up environmental hazards, managing society's waste, and developing sustainable solutions, SME employees share a common goal of assisting clients in the protection of human and environmental health. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' real-world challenges.

At the heart of SME is our friendly and down to earth culture. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations. Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together.

Along with a collaborative work environment, SME offers:

- Work-life balance
- Hybrid work schedule
- Professional development and growth opportunities
- Intraoffice groups including hiking, hockey, and running
- Community involvement such as volunteer days and an SME sponsored road race team, and
- Annual company retreat, fall golf outing, regular social events, and more.

Location

SME is based in Cumberland, just north of Portland, Maine. Perfect for a balance of work and play, we are located only minutes from ocean beaches, lakes, rivers, and mountains where you can conveniently access outstanding outdoor activities. If city life is more your style, the area offers fantastic shopping and dining options as well as a vibrant arts and entertainment scene.
