

CIVIL / ENVIRONMENTAL ENGINEER – LANDFILL DESIGN

Sevee & Maher Engineers, Inc. (SME) has a new full-time position for a **Civil/Environmental Engineer** at our headquarters in Cumberland, Maine. SME is looking for a qualified, intermediate to senior engineer to join our Landfill Engineering group.

Position Summary

This is an exceptional opportunity for a motivated and experienced individual to excel as part of our company, a respected leader in the solid waste engineering field. The **Civil/Environmental Engineer** will perform landfill design work, from concept through to completion of detailed design. Projects include design of landfill cells, rehabilitations, and closures, including landfill liners, leachate, gas, and stormwater management systems. Your work will include the preparation of permits, technical reports, and detailed landfill design plans and specifications.

Because the **Civil/Environmental Engineer** works closely with SME's multidisciplinary staff and frequently interacts directly with clients, regulatory agencies, and the public, your strong interpersonal and communication skills (written and verbal) are important. At SME, we take pride in building and maintaining positive long-term relationships with all stakeholders.

Required Skills and Qualifications

- 5+ years of civil/environmental related design experience
- Must be proficient with site grading, stormwater management design, erosion control design, and specification preparation
- B.S. or M.S. in Environmental, Civil, or Geotechnical Engineering
- Proficiency with Microsoft Office Suite (Word, Excel, and Outlook) and AutoCAD software
- Project management, construction experience, and/or familiarity with pumping system design

Working at SME

Founded in 1985, SME is an accomplished team of 80+ experienced and talented professionals providing environmental and civil engineering consulting services to clients nationwide. From permitting solar farms to cleaning up environmental hazards, managing society's waste, and developing sustainable solutions, SME employees share a common goal of assisting clients in the protection of human and environmental health. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' real-world challenges.

At the heart of SME is a culture that is friendly and down to earth. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations. Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together.

Compensation and Benefits

SME offers an excellent compensation and benefits package. The company pays 100 percent of Medical, Life, and Long-Term and Short-Term Disability insurance, and annually contributes to each enrolled employee's Health Savings Account. We provide paid vacation, holiday, and sick time. SME's retirement

plan includes three components: a 401k plan with a generous matching contribution; profit sharing; and a non-discretionary 3% of gross pay contribution. There are year-end bonuses for all employees.

Location

SME is based in Cumberland, just north of Portland, Maine. Perfect for a balance of work and play, we are located only minutes from ocean beaches, lakes, rivers, and mountains where you can conveniently access outstanding outdoor activities. If city life is more your style, the area offers fantastic shopping and dining options as well as a diverse arts and entertainment scene.
