

ENVIRONMENTAL / CIVIL ENGINEER (5+ Years Experience)

Sevee & Maher Engineers, Inc. (SME) has a new full-time position for an **Environmental/Civil Engineer** at our office in **Marietta, Georgia**. SME is looking for a qualified intermediate to senior engineer.

Position Summary

The **Environmental/Civil Engineer**, who reports to a principal of the firm, participates in a diverse and dynamic portfolio of projects, many of which involve innovative designs for environmentally sensitive areas.

Your Impact

Because there is no “typical” project at SME, the **Environmental/Civil Engineer** has an exceptional opportunity to work on a wide variety of assignments that may include solid waste management, stormwater systems, environmental compliance and permitting, remediation, and water and wastewater systems.

As an SME **Environmental/Civil Engineer** you will be responsible for:

- Project management
- Engineering and design
- Technical reports and specifications
- Construction engineering inspection and documentation services
- Preparation of permits
- Environmental field work as needed, such as monitoring, sampling, inspections, and assessments
- Engineering tasks to support our Marietta, Georgia, office

as well as:

- Maintaining a high level of organizational skills to keep tasks on schedule, and
- Being an integral team member and problem solver who is adept at developing practical, cost-effective solutions that serve our clients well.

Because the **Environmental/Civil Engineer** works closely with SME’s multidisciplinary staff and frequently interacts directly with clients, regulatory agencies, and the public, your strong interpersonal and communications skills (written and verbal) are important. At SME, we take pride in building and maintaining positive long-term relationships with all stakeholders.

Required Skills and Qualifications

- B.S. degree in Environmental Engineering or Civil Engineering, with 5+ years of experience
- Professional Engineer’s license, or willingness to obtain
- Project management experience, and construction experience
- Engineering design experience, including site grading, stormwater management, pump and piping systems, and drafting of technical reports and specifications
- Proficiency with Microsoft Office Suite and AutoCAD software
- Experience with local, state, and federal permitting, and
- Effective oral and written communication skills are essential.

Working at SME

Founded in 1985, SME is an accomplished team of 85+ experienced and talented professionals providing environmental and civil engineering consulting services to clients nationwide. From permitting solar farms to cleaning up environmental hazards, managing society's waste, and developing sustainable solutions, SME employees share a common goal of assisting clients in the protection of human and environmental health. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' real-world challenges.

At the heart of SME is our friendly and down to earth culture. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations. Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together.

Compensation and Benefits

SME offers an excellent compensation and benefits package that includes:

- 100% company paid Medical, Life, and Long-term and Short-term Disability insurance
- Annual HSA contributions
- Paid vacation and sick time and 9 paid holidays per year
- 401k plan with generous matching contribution; profit sharing; and a non-discretionary 3% of gross pay contribution, and
- Performance-based year-end bonuses.

Location

SME's office in Marietta, Georgia, is near Atlanta and conveniently located off I-75, in Marietta's beautiful, historic downtown area.
