

## ENVIRONMENTAL / CIVIL ENGINEER (Marietta, GA)

*Are you interested in a progressive and growing company that offers exceptional opportunities for your success? Sevee & Maher Engineers, Inc. (SME) has a new full-time position for an **Environmental/Civil Engineer** based at our branch office in **Marietta, Georgia**.*

Founded in 1985, SME is an accomplished team of over 55 experienced and talented professionals providing civil and environmental consulting, comprehensive design, construction, and permitting services for commercial, industrial, governmental, and residential clients throughout the United States. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' 21st-century challenges.

SME began as a landfill design consulting firm, and over the past 35 years we have expanded our business to multiple service sectors. As we enter our next phase of growth, SME offers a unique opportunity for a motivated and experienced individual to excel.

### Position Summary

As a multidisciplinary engineering firm, SME provides comprehensive planning, design, and construction oversight services. The Environmental/Civil Engineer will provide day-to-day support under the direction and guidance of the project manager/engineer. Duties and responsibilities include but are not limited to:

- Engineering Design for:
  - Solid waste management projects, and
  - Wastewater infrastructure solutions,
- Preparation of permit documents for development of environmental projects,
- Assistance with Environmental Compliance for industrial and commercial projects,
- Performing environmental field work as needed, including monitoring, sampling, inspections, and assessments,
- Performing engineering tasks or assignments in support of our Marietta, Georgia office, and
- Performing construction inspections, and document contractor construction activities and conformance to project plans and specifications.

The Environmental/Civil Engineer participates in a diverse and dynamic portfolio of projects, such as environmental inspections of an industrial manufacturing facility, or construction oversight of a solid waste disposal facility. There is no "typical" project at SME, so the Environmental/Civil Engineer has the opportunity to work on a wide variety of assignments and real-world challenges. Many of SME's projects involve innovative designs for environmentally sensitive areas.

The ideal candidate will possess a high level of organizational skills that are well suited to keeping tasks on schedule and on budget. Because the Environmental/Civil Engineer works closely with SME's multidisciplinary staff and frequently interacts directly with clients, regulatory agencies, and the public, strong interpersonal and communications skills (written and verbal) are also important. At SME, we pride ourselves on building and maintaining very positive long-term relationships with all stakeholders.

### Required Qualifications and Skills

- B.S. in Environmental Engineering, Civil Engineering, or related field,
- Minimum 2 years environmental/civil consulting or industry experience,
- Proficiency in MS Office Suite, including Word, Excel, Outlook, and PowerPoint,
- AutoCAD software experience is preferred,
- Team player with strong written, communication, and organization skills, able to work independently and in a project team environment,
- Quick learner with a strong work ethic. Motivated for professional growth and growing with our Marietta, Georgia, office,
- Effective oral and written communication skills are essential, and
- Willingness for occasional travel, with some overnight or extended stays, to project sites in Georgia and North Carolina.

### Working at SME

At the heart of SME is a culture that is friendly and down to earth. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations. Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together.

### Compensation & Benefits

SME offers an excellent compensation and benefits package. The company pays 100 percent of Medical, Life, and Long-Term and Short-Term Disability insurance, and annually contributes to each employee's Health Savings Account. We provide paid vacation, holiday, and sick time. SME's retirement plan includes three components: a generous 401k plan; profit sharing; and a non-discretionary 3% of gross pay contribution. There are year-end bonuses for all employees.

### Location

SME's branch office in Marietta, Georgia, is near Atlanta, conveniently located off I-75 with access to I-285 and I-85, and within two miles of the new Braves stadium and Cobb Galleria Centre.

Sevee & Maher Engineers, Inc.  
2470 Windy Hill Road, Suite 300  
Marietta, GA 30067
