

## ENVIRONMENTAL FIELD ENGINEER/TECHNICIAN (5+ years experience) (Marietta, GA)

Founded in 1985, Sevee & Maher Engineers, Inc. (SME) is an accomplished team of 50 experienced and talented professionals providing civil and environmental engineering consulting services to commercial, industrial, municipal, and residential clients throughout the United States. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' 21st-century challenges.

At the heart of SME is a culture that is friendly and down to earth. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations.

Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together. Are you interested in a progressive and growing company that offers exceptional opportunities for your success? SME has a new full-time position for an **Environmental Field Engineer/Technician** based at our branch office in **Marietta, Georgia**.

### Position Summary

As a multidisciplinary engineering firm, SME provides comprehensive planning, design, and construction oversight services. The Environmental Field Engineer/Technician will perform field work as needed including environmental monitoring, environmental sampling, construction inspections, construction quality assurance, and testing associated with civil and environmental related construction projects. Construction projects will include landfill cells, landfill cover systems, remediation projects, pumping systems, piping systems, and other civil related work. Projects will be mainly in the Marietta, Georgia, area but may require occasional travel to other states.

Because the Environmental Field Engineer/Technician works closely with SME's project managers, contractors, and clients, your strong interpersonal and verbal skills will be important to this role. At SME, we pride ourselves on building and maintaining meaningful, long-term relationships.

### Required Skills and Qualifications

- A.S. or higher in Civil or Environmental Engineering or related field
- 5+ years of construction and/or oversight experience related to civil and environmental projects
- Experience with construction material testing, including soil compaction testing and soil material sampling
- An understanding of construction surveying techniques
- An understanding of construction contracts, design specifications, and quality assurance/quality control plan requirements as they relate to civil and environmental related projects
- Experience reading and interpreting engineering drawings

- Proficiency with AutoCAD software, HydroCAD, and Microsoft Office Suite (Word, Excel, and Outlook)
- Familiarity with landfill components such as geosynthetic liners, earthwork, and liner construction techniques is a bonus but not a requirement, and
- Given the nature of the work, the ability to travel to and stay near the construction/job site is required.

### **Compensation and Benefits**

SME offers an excellent compensation and benefits package. The company pays 100 percent of Medical, Life, and Long-Term and Short-Term Disability insurance, and annually contributes to each employee's Health Savings Account. We provide paid vacation, holiday, and sick time. SME's retirement plan includes three components: a generous 401k plan; profit sharing; and a non-discretionary 3% of gross pay contribution.

### **Location**

SME's branch office in Marietta, Georgia, is near Atlanta, conveniently located off I-75 with access to I-285 and I-85, and within two miles of the new Braves stadium and Cobb Galleria Centre.

### **Let's Connect!**

SME is always looking for new talent. If this position sounds like a good fit for you, **please submit your resume and cover letter to: [smeresumes@sme-engineers.com](mailto:smeresumes@sme-engineers.com)**

No telephone calls, please.

*SME is an Equal Opportunity Employer.*
