

## PROJECT GEOLOGIST / ENVIRONMENTAL SCIENTIST

Sevee & Maher Engineers, Inc. (SME) has a full-time position for a **Project Geologist/Environmental Scientist**, with 5 years of experience, at our headquarters in Cumberland, Maine. This position will support our environmental remediation, brownfields redevelopment, and hydrogeology groups.

### Position Summary

The **Project Geologist/Environmental Scientist** will work as part of our environmental remediation group and under the guidance of two company principals. Projects will be for a wide variety of industrial, municipal, and commercial clients throughout New England and across the country.

### Your Impact

As an SME **Project Geologist/Environmental Scientist**, you will:

- have an understanding of the environmental consulting business,
- be self-directed with the ability to assist in the management of client relationships, projects, budgets, and databases,
- have experience in environmental investigations and the collection of environmental samples in groundwater, soil, and building materials,

as well as:

- assist in the production of proposals, reports, permits, and bid packages, and
- communicate clearly and effectively.

Because the **Project Geologist/Environmental Scientist** works closely with SME's multidisciplinary staff and frequently interacts directly with clients, regulatory agencies, and the public, your strong interpersonal and communications skills (written and verbal) are important. At SME, we take pride in building and maintaining positive long-term relationships with all stakeholders.

### Required Skills and Qualifications

- Bachelor's degree in Geology, Hydrogeology, Environmental Engineering, or Environmental Science with 5+ years of experience in the environmental consulting business
- Proven experience conducting environmental investigations
- Excellent communication, organizational, technical, and report writing skills
- Ability to work independently

### Working at SME

Founded in 1985, SME is an accomplished team of more than 85 experienced and talented professionals providing civil and environmental engineering and consulting, comprehensive design, construction management and oversight, permitting, and testing services for commercial, industrial, governmental, and residential clients throughout the United States. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' 21st-century challenges.

At the heart of SME is our friendly and down to earth culture. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your

own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations. Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together.

Along with a collaborative work environment, SME offers:

- Work-life balance
- Hybrid work schedule
- Professional development and growth opportunities
- Intraoffice groups including hiking, hockey, and running
- Community involvement such as volunteer days and an SME sponsored road race team, and
- Annual company retreat, fall golf outing, regular social events, and more.

### Compensation and Benefits

SME offers an excellent compensation and benefits package that includes:

- 100% company paid Medical, Life, and Long-Term and Short-Term Disability insurance
- Annual HSA contributions
- Paid vacation and sick time with 9 paid holidays per year
- 401k plan with generous matching contribution; profit sharing; and a non-discretionary 3% of gross pay contribution, and
- Performance-based year-end bonuses.

### Location

SME is based in Cumberland, Maine, just north of Portland. Perfect for a balance of work and play, we are only minutes from ocean beaches, lakes, rivers, and mountains where you can conveniently access outstanding outdoor activities. If city life is more your style, the area offers fantastic shopping and dining options as well as a vibrant arts and entertainment scene.

### Let's Connect!

SME is always looking for new talent. If this position sounds like a good fit for you, **please submit your resume, cover letter, and a writing sample (recent proposal or report) as a single PDF or Word document to: [smeresumes@sme-engineers.com](mailto:smeresumes@sme-engineers.com).**
