

SOLID WASTE ENGINEER / PROJECT MANAGER

*Are you interested in a progressive and growing company that offers exceptional opportunities for your success? Sevee & Maher Engineers, Inc. (SME) has a new full-time position for a **Solid Waste Engineer/Project Manager** at our headquarters in Cumberland, Maine.*

Founded in 1985, SME is an accomplished team of over 55 experienced and talented professionals providing civil and environmental consulting, comprehensive design, construction, and permitting services for commercial, industrial, governmental, and residential clients throughout the United States. SME combines strong technical expertise with innovative technologies to provide cutting-edge solutions to our clients' 21st-century challenges.

SME began as a landfill design consulting firm, and over the past 35 years we have expanded our business to multiple service sectors. As we enter our next phase of growth, SME offers a unique opportunity for a motivated and experienced individual to excel.

Position Summary

SME is looking for a qualified, intermediate to senior engineer to join our Landfill Engineering group. This is an exceptional opportunity for a motivated and experienced individual to become part of our company, which is a respected leader in the solid waste engineering field. We are looking for an engineer who can manage landfill-related work and/or perform landfill design work from concept through to completion of detailed design. Projects include design of landfill cells, rehabilitations, and closures, including landfill liners, leachate, gas, and stormwater management systems. Your work will include the preparation of permits, technical reports, and detailed landfill design plans and specifications.

Because the Solid Waste Engineer/Project Manager works closely with SME's multidisciplinary staff, contractors, and clients, your strong interpersonal and verbal and written communication skills will be important to this role. At SME, we pride ourselves on building and maintaining meaningful, long-term relationships.

Required Skills and Qualifications

- 5+ years of landfill-related experience
- Project management and/or construction experience is a plus
- B.S. or M.S. in Environmental, Civil, or Geotechnical Engineering
- Professional Engineer (PE) license or ability to obtain this soon after hiring
- Must be familiar with general landfill components such as geosynthetic liners, earthwork, and liner construction techniques
- Proficiency with Microsoft Office Suite (Word, Excel, and Outlook), landfill-related design software (e.g., HELP model), and AutoCAD software and applications

Working at SME

At the heart of SME is a culture that is friendly and down to earth. SME is large enough to offer a full range of services but small enough that everyone on our team makes a difference. There is room to choose your

own path and pursue your passions, and each person is recognized for their contribution to our collective success. SME supports and encourages professional development and active participation with professional associations. Joining SME means becoming part of a group of dedicated professionals who enjoy doing meaningful work together.

Compensation and Benefits

SME offers an excellent compensation and benefits package. The company pays 100 percent of Medical, Life, and Long-Term and Short-Term Disability insurance, and annually contributes to each employee's Health Savings Account. We provide paid vacation, holiday, and sick time. SME's retirement plan includes three components: a generous 401k plan; profit sharing; and a non-discretionary 3% of gross pay contribution. There are year-end bonuses for all employees.

Location

SME is based in Cumberland, just north of Portland, Maine. Perfect for a balance of work and play, we are located only minutes from ocean beaches, lakes, rivers, and mountains where you can conveniently access outstanding outdoor activities. If city life is more your style, the area offers fantastic shopping and dining options as well as a diverse arts and entertainment scene.

Let's Connect!

SME is always looking for new talent. If this position sounds like a good fit for you, **please submit your resume and cover letter as a single PDF or Word document to: smeresumes@sme-engineers.com**
